BONUS

What's in a shofar?

Answer: Nothing, because it's hollow!

Color the pictures below.

Steps on how shofars are made...

1

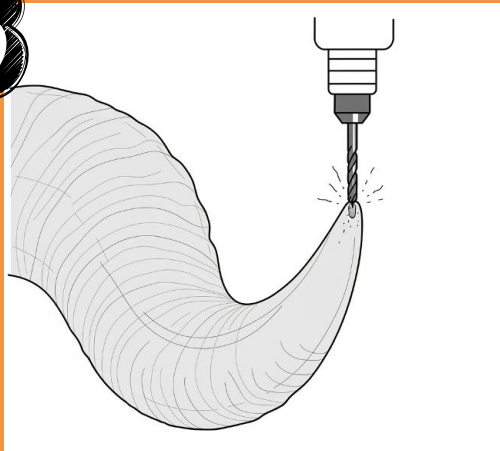

A shofar is made by hollowing out a kosher animal horn, traditionally a ram's horn, removing the inner bone and marrow.

2

The horn is then heated to become pliable, allowing it to be bent and shaped into a desired curve.

3

A small hole is drilled in the narrow end to serve as the mouthpiece.

4

It's now polished to create a playable instrument ready to produce its distinctive sound.

Did you know the feasts are shadows of good things to come?

We are to make a joyful noise and know Yahuah is our King!

Speak to the children of Yisra'ël, saying, 'In the seventh new moon, on the first day of the new moon, you have a rest, a remembrance of Teru'ah, [25] 'You do no servile work, and you shall bring an offering made by fire to יְהוָה.' ”
Wayyiqra (Leviticus) 23:24-25 TS2009

PAST

Wake up! Let's shout for joy and remember to stay close to Yahuah.

Sound the alarm!

Then he said to them, “Go, eat the fat, drink the sweet, and send portions to those for whom none is prepared. For this day is set-apart to our Master. Do not be sad, for the joy of יְהוָה is your strength.” Neḥemyah (Nehemiah) 8:10 TS2009

PRESENT

Yahuah is coming back! He will gather His people and reign over them forever!

Because the Master Himself shall come down from heaven with a shout, with the voice of a chief messenger, and with the trumpet of Elohim, and the dead in Messiah shall rise first.
Tas`loniqim Aleph (1 Thessalonians) 4:16 TS2009
